### What does high quality singing provision look like?

- Singing with confidence and together in unison
- An understanding of the importance of warm ups, breathing and posture
- Singing in parts
- Singing in a different language
- Use of dynamics and phrasing
- An understanding of good vocal health
- Singing in a range of genres and styles
- Singing with a sense of ensemble and being able to follow a conductor
- Communication both musically and with emotional meaning and expression

We LOVE to sing in class, in assembly, outside and at various venues!
