

What is the RBA? (Reception Baseline Assessment)

The RBA is a short, interactive and practical assessment of your child's early literacy, communication, language and mathematics skills when they begin school, using materials that most children of your child's age will be familiar with. It became statutory for all schools from September 2021.

What does participating in the RBA mean for my child? The RBA is not about judging or labelling your child or putting them under any pressure. Your child cannot 'pass' or 'fail' the assessment. Its main purpose is to create a starting point to measure the progress schools make with their pupils.
